1. The Chinese Communist 42 Army is currently carried as unlocated in Korea. [REDACTED] from a related source, identified LI as the commander of the 10 Kwangtung Public Security Division in April 1952. [REDACTED] from a different source, named LI as the deputy chief of staff of the Kwangtung Military District Command in April 1952.
2. Probably Army is intended.
3. Possibly "is supplied" is intended.
4. [REDACTED] in December the headquarters of the 8 Public Security Division was at Ch'aoan (N 23-42, E 116-37) and the headquarters of the 9 Public Security Division was probably at Fort Bayard. This would place these two divisions in the areas occupied by the 41 and 43 Armies, respectively.
